10) Resolution 78. Railway Secretary's U.O. No.225 dated 2nd November 1917 forwarding for opinion Inspector-General of Police letter No.1685/11 of 14th September 1917 soliciting Government sanction to the entertainment of full time Police staff for Tarikere-Narasimharajapura Tramway was discussed and resolved as follows:-

(1) that as Railway Police staff is stationed at Tarikere under the Superintendent, Railway Police, it would be more economical and convenient to place the Tramway under the jurisdiction of Railway Police instead of District Police,

(2) that the staff proposed are too many for the requirement of the Tramway and that 2 Travelling Constables under the Tarikere Railway Police Station Officer would be quite sufficient, and

(3) that the Tramway being a feeder to the branch railway may be looked upon as a railway than as a tramway with regard to Police Jurisdiction only.

12) The Dy. of Police considers that a staff of First class Duffedar, 2 1st class Constables, 14 Second class constables is necessary for keeping peace and order on the Panikeri Nanasinhanaj para Tramway. There are 8 Stations, and one constable is necessary for each station; one is necessary for travelling on the train, and one Duffedar is recommended for supervising the staff. If cranny is absolutely necessary, then one travelling constable may be dispensed with and the Duffedar may do that work as well.

13) The Railway officers consider the staff too many. They recommend that the Tramway being a police, may be brought under the Railway Police this request does not seem proper. The Tramways worked under the Tramways Regulation not under the Railway Regulation so it could not be brought under the Railway Police further, the Police Dept. is the proper authority to know what is absolutely necessary for preserving peace and order. one constable for each station does not appear to be much. As already noted, the constable may be dispensed with if approved, the rest may be sanctioned.

From

Offg. Inspector-General of Police in Mysore.

To

C. S. Balasundaram Iyer, Esquire, B.A.,

Secretary to the Government of His Highness
the Maharaja of Mysore, General Department.

Through the Comptroller,
Mysore Government.

Sir,

I have the honor to forward herewith copy of report from the District Superintendent of Police, Kadur, received with the Kadur Deputy Commissioner's letter No. 81 of the 25th ultimo regarding the need for a special staff for Policing the Tarikere-Narasimharajapura Tramway and to state that I fully agree in the views expressed therein.

2. The Tramway was opened for both coaching and goods-traffic from the 15th May last. The marginally noted five stations on the line, have to be provided with Policemen for the maintenance of peace and order and for the general watch and ward of goods and Traffic.

1. Tarikere. 2. Rangenahally
3. Lakkavalli. 4. Thadasa.
5. Narasimharajapura.

3. I request that a staff of 1 First class Naffedar, two first class constables and four second class constables may be sanctioned. The staff will work under the direction of the Inspector of Tarikere Taluk.

4. The cost of the new establishment comes to Rs 66/- per mensem or Rs 792/- per annum. The total expenditure

(including contingencies at Rs 2/- per mensem and cost of clothing at Rs 1-6-8 per mensem per head) amounts to Rs 935/- per annum, as shown in the Proposition Statement in duplicate herein enclosed. Three tenths of this viz., Rs 280-8-0, is debitable to the Police Budget and the balance to the Railway Budget.

5. I beg to bring to the notice of Government that as the line is worked under the Tramway Regulation and not the Railway Regulation, jurisdiction over the line is vested in the District Superintendent of Police, Kadur. Moreover, as a portion of the line runs on the public road, it would not be convenient to place the line under the District Superintendent of Police, Railways and C.I.D.

6. I request you to be so good as to obtain the very early sanction of Government, for the entertainment of the staff now asked for, the cost for the current year being met from the provision of 1 lakh of rupees made in the Budget for the re-organisation of the Police Department.

I have the honor to be,

Sir,

Your most obedient servant,

Asst. to the Inspector General of Police,

For Offg. Inspector General of Police.

Absent from station.

Report from the District Superintendent of Police, Kadur, to the Inspector General of Police in Mysore, Bangalore.

The Police jurisdiction over Tarikere-Narasimharajapur Tramway line having been vested in me, I beg to request sanction of additional force for this extra work and for the issue of passes to travel on the line for the following reasons:-

The line runs through the limits of Tarikere Taluk and of Narasimharajapur Sub Taluk. There are five stations viz., (1) Tarikere, (2) Rangenahally, (3) Lakkavally, (4) Thadasa and (5) Narasimharajapur, on the line. Constables are to be posted at each station to be present during the arrival and departure of trains and to keep watch over the station and goods at other times, a constable will have to be deputed to travel in the train and an officer, at least a Duffedar, will have to be deputed to supervise and check the duties of constables posted for this work.

As the existing force is hardly sufficient to cope with their multifarious duties, I beg that an additional force of one Duffedar and six constables may be sanctioned to attend to the efficient discharge of the Railway duties.

The Agent of the Mysore State Railways may be addressed issue two passes of 3rd class and two of upper class for the u of ~~the~~ constables and officers travelling on the line to atte the duties connected therewith.
